

User Stories - National Case Management Platform

Epic 1 - Incident Reporting

US-01

As a victim, I want to submit an incident online, so that I can report abuse easily.

US-02

As a victim, I want to upload supporting documents, so that investigators can review evidence.

US-03

As a victim, I want to report anonymously, so that I can protect my identity.

Epic 2 - Case Tracking

US-04

As a victim, I want to track my case status using a reference number, so that I know the progress of my complaint.

US-05

As a victim, I want to receive notifications when my case status changes, so that I stay informed.

Epic 3 - Case Management

US-06

As an investigation officer, I want to view assigned cases, so that I can manage investigations effectively.

US-07

As an investigation officer, I want to update case statuses, so that stakeholders know the latest progress.

Epic 4 - Administration

US-08

As an administrator, I want to manage user accounts, so that only authorized personnel can access the system.

US-09

As an administrator, I want to generate reports, so that I can monitor platform performance.
